

Mountain View Tennis Club About Us

The MVTC is a community based organization founded and established in late 1966 to promote tennis in the City of Mountain View. The goals of MVTC have been to sponsor social and competitive activities for adult tennis players. These would include tournaments, ladders, USTA league play, and social events. MVTC offers a place for members to connect with other players at all levels for recreation and competitive games.

The MVTC is run by a volunteer board and committee members. The board consists of a President, Vice President, Secretary, and Treasurer. Meetings are held monthly to organize and plan activities throughout the year.

The MVTC is based on Volunteers. Whether It's on the board, committees, or tournaments. USTA teams, or social events. It's the people who volunteer their time that makes our club what it is today. We believe this is why the MVTC is one of the best public tennis clubs in the Bay Area. Our tournaments strive to be well run, fun, and have great food.

General Meetings

The MVTC has two general meetings during the year. The March meeting serves to get the ball rolling for the year and provides an opportunity to meet new members. The final meeting of the year is held in October and features the election of officers for the following year. Awards are given out for Most Improved Players, Sportsmanship, and Grand Prix winners. Recognitions are given to the board and others who have contributed to the well-being of the club.
